## Pastor's Corner

Fall is here!!! With that comes cooler weather, apples, pumpkins, festivals, and the changing of colors. What a great time of year! This season often creates in us the desire for something fresh and new. But to get to the new, we must also experience the letting go. God reminds us of this every time a tree lets go of one of its leaves. The Old Testament often referred to the season of harvest as a time of blessing. Jesus often referenced the harvest season as a time for winning souls. The fall season is definitely a time for change. Change of minds, change of hearts, changes in God's creation. Fall reminds us of God's powerful control. He knows exactly what "change" is necessary and what "new" thing you need in your life. Seasons are only here for a short time—they come and go. Some are happy, some are sad, but all work together for our good. Will you let go and trust God during this time?
