Pastor's Corner

Welcome to Summer! Boy, is it me, or is it already hot? Unfortunately, the word "HOT" is often used with a negative connotation. Instead of focusing on the heat of summer, I want to encourage you to embrace the longer days of summer, to enjoy the sunshine and the occasional rain, to gaze at the beauty of earth. Summer is when the physical world around us is healthy, vibrant, and growing; preparing us for the season of harvest. As you enjoy the summer God has prepared for you, I want to also encourage you to seek after Him even more. Will you let this summer be a season of spiritual growth? Will you allow the Savior to walk with you? Will you allow the power of the Holy Spirit to guide you? Will you allow the Father to extend His immeasurable grace to you? This is my borrowed prayer for you. *May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.* Romans 15:13. Have a great summer!!!
