Pastor's Pen

November is often called the month of thanksgiving. However, the concept of giving thanks should not be limited to just a few days each year. Jesus consistently taught and demonstrated that gratitude is a heartfelt response to the Father's daily blessings. He modeled the act of giving thanks on several occasions. When having a meal, He gave thanks (John 6:11). When facing impending suffering, He gave thanks (Luke 22:19). He even gave thanks to the Father for "hearing" His prayers (John 11:41). During this season of thanksgiving, I pray you discover new ways to thank God for your many blessings. *Oh give thanks to the Lord, for he is good, for his steadfast love endures forever! (Psalm 107:1)*
