Pastor's Pen

May has a way of slowing us down just enough to notice God's subtle work. The world is greening again, reminding us that renewal is how God brings new life into His creation. If the year has felt rushed or dry, let the month of May serve as a gentle invitation to breathe, to rest, and to remember that the Lord is still making all things new. As the days lengthen, ask God to also lengthen your trust in His ways. As creation blossoms, pray that your faith would take deeper root. And as you move through this month, may the Spirit steady your steps and remind you that Jesus walks with you in every place He sends.

“He who began a good work in you will bring it to completion.” — Philippians 1:6

In Christ,

Pastor Brian
