Pastor's Pen

Wow! Where did the summer break go? I think we would all agree that it has flown by faster than we wanted. Eventually, these sunlit days will give way to cooler evenings and a time where we can pause to thank God for the rest, laughter, and renewal that we experienced along the way. May the memories of this short summer season remind us of the joys associated with genuine fellowship and of the quiet moments we got to spend with our Creator. I pray those thoughts will carry you into a new season with grateful hearts and a renewed commitment to serve one another. May we always seek to use our time wisely and may we trust that each day in this world is held in His care. *So teach us to number our days that we may get a heart of wisdom.* Psalm 90:12

In Christ,

Pastor Brian
